

Effective 5/12/2015

63C-16-203 Commission duties and responsibilities.

- (1) The commission shall:
 - (a) advise and consult with the division as the division oversees the prison project as provided in Section 63A-5-225;
 - (b) consult with, make recommendations to, and receive reports from the division regarding the prison project, consistent with Section 63A-5-225;
 - (c) fulfill other responsibilities specified in Section 63A-5-225; and
 - (d) undertake any other action the commission considers appropriate to support or help facilitate the successful completion of the prison project, consistent with Section 63A-5-225.
- (2) The commission may:
 - (a) meet as many times as the commission or its chairs consider necessary or advisable in order to fulfill the commission's responsibilities under this part; and
 - (b) hire or direct the hiring of one or more consultants or experts to assist the commission in fulfilling the commission's responsibilities under this part.
- (3) The commission may not consider or evaluate future uses or development of the property in Draper on which a state prison is located.

Enacted by Chapter 182, 2015 General Session
